

WUBBZY'S Dance Party Sort

Cut out all the items used at the Wubb Club annual dance party.

Help Madame Zabinga sort the items into three categories so that Wubbzy and his friends can set up for the party.

Sort them by placing them either on the Food and Drink table, on the stage for the band or in the Party Decorations box.

When you're done, tell an adult why you put each item where you did. Glue down the party items.
