

THE NUT JOB Nutty Measurement

Help Surly figure out the length of these items found in Liberty Park. Cut out the acorn ruler off the right side of the page. Use it to measure and record the length of each object Surly has found.

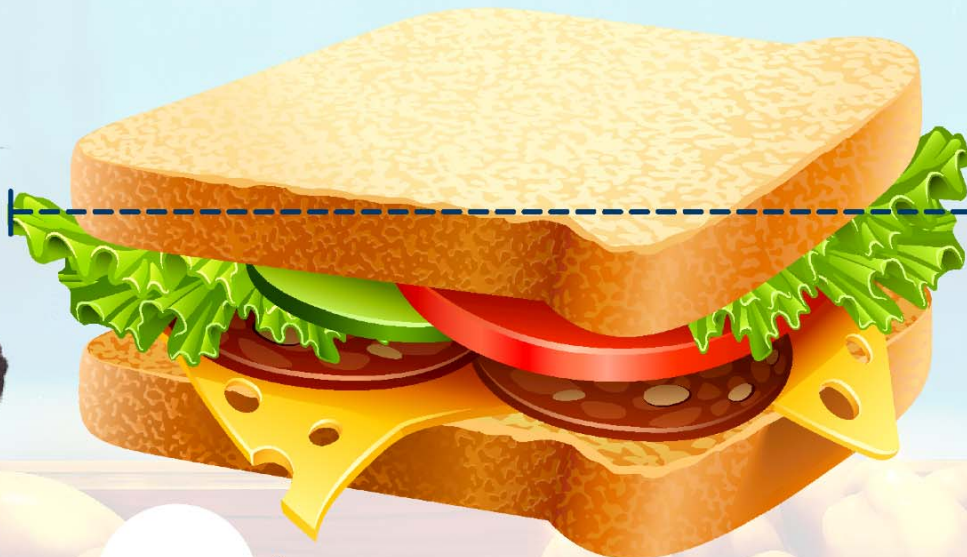

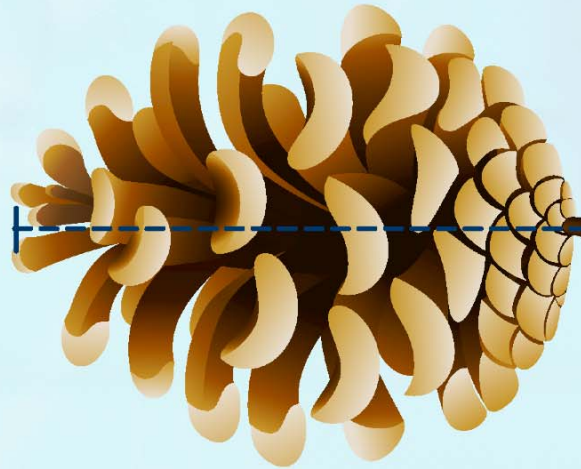

Acorns High

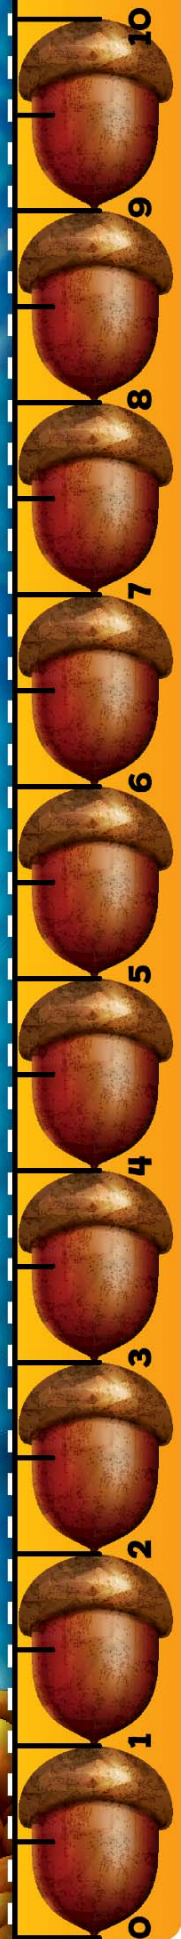

Acorns Tall

Acorns Wide

Acorns Wide

CCSS.Math.Content.1.MD.A.2 – Express the length of an object as a whole number of length units, by laying multiple copies of a shorter object (the length unit) end to end; understand that the length measurement of an object is the number of same-size length units that span it with no gaps or overlaps.
