

DINOSAUR PUZZLE & PLAY

Dinomath!

Cut out the dinosaur cards below. Use them to act out addition and subtraction problems on the work mat.

Try acting out these math problems using this work mat and your dinosaur cards.

- 3 dinosaurs are eating. 2 more dinosaurs come along. How many dinosaurs are there now?
- 7 dinosaurs take a nap in the sun. 4 wake up and leave. How many dinosaurs are there now?

Get creative and tell your own dinomath stories! Act them out on your work mat!
