**DRAGONS**  
DEFENDERS OF BERK

# How many does my dragon have?

It's time to add more details to the Book of Dragons. Help Hiccup and his friends count teeth, spikes and scales on their dragons. Use groups of ten to help you get an accurate count!

Look at these dragon teeth.  
Circle groups of ten teeth.

How many groups of ten teeth did you circle?

\_\_\_\_\_

(Tens)

How many extra teeth are there?

\_\_\_\_\_

(Ones)

How many altogether?

\_\_\_\_\_

Look at these dragon spikes.  
Circle groups of ten spikes.

How many groups of ten spikes did you circle?

\_\_\_\_\_

(Tens)

How many extra spikes are there?

\_\_\_\_\_

(Ones)

How many altogether?

\_\_\_\_\_
